

Tile LVPS

Haleh Hadavand
UT Arlington

LVPS

- **Interest in production and QA of LVPS**
- **Have EE involvement from department with expertise in power systems**
 - **Students and technicians from same source**
- **Plan to be involved in QA of pre-pre-production – 24 bricks for demonstrator- Discussion with ANL**
 - **Plan visit to ANL in the next 1-2 months**
 - **Walkthrough of test bench for QA of burn in of bricks**
- **\$25k (no overhead) can be devoted for R&D funds for 2016**
 - **Hoping for matching funds from University**
- **Facilities for testing and QA**
- **Physics graduate student to devote time - can get many undergraduates involved**
